Please refer to your response to Interrogatory DB/USPS-31 subpart [a].

In your response you state that most types of accountable mail may be left in a parcel locker.

[a] Please confirm or explain that the following services are considered to be accountable mail:

1. Express Mail
2. Adult Signature Required
3. Certified Mail
4. Collect on Delivery
5. Restricted Delivery
6. Insurance [over \$200]

7. Registered Mail
8. Return Receipt
9. Return Receipt for Merchandise
10. Signature Confirmation

[b] Please identify any other services that may be considered accountable mail.

[c] Which of the ten listed services in subpart [a] as well as the additional services identified in subpart [b] may be left in a parcel locker without obtaining a signature from the recipient?

[d] May mail which is postage due be left in a parcel locker?

[e] May the mailer of any of the ten listed services in subpart [a] as well as the additional services identified in subpart [b] waive the requirement for obtaining the addressee's signature prior to delivery and if so, are there any conditions under which it may or may not be done?

[f] Are there any of the ten listed services as well as the additional services identified in subpart [b] where the mailer waiving the signature would render the service meaningless such as requesting Signature Confirmation and then waiving the need for a signature on delivery?

[g] Which of the ten listed services in subpart [a] as well as the additional services identified in subpart [b] may the addressee file IN ADVANCE a request for delivery of that category of mail without the need for obtaining a signature?

[h] How will a recipient be made aware of the ability to file IN ADVANCE for receiving that mail without the need to sign for it?

[i] How will the mailer of one of these accountable mail services receive the service that they requested and paid for if the addressee is allowed to waive the need for a signature?

[j] Please provide the data and explain the ability to use the word MOST in your response to the original subpart [a].
